Nahal,

Thanks for putting this together. I made a few minor changes. Are you planning to attend?

Attached are my **draft** writeup on SMBNEP's program and an overview of CRI. I am sending these on to Sam for his review.

Question for you and Paul – since Abi is out of town until next week, who do we ask to make sure Alexis' travel plans (airplane reservations) are set?

Thanks,

Erica

Hi Erica,

Here is the one pager for the Nov. 9th CRI event. If we can add this to the other documents we are giving Alexis for the briefing that would be great.

Hopefully this satisfies what Sam was looking for.

I think this, plus your write up for her talking points should be good enough, but let me know if he wants to add anything else.

Thanks,

Nahal
